# Residents and businesses offered vouchers to improve broadband

SOMERSET residents and businesses with particularly slow broadband connections are offered financial help to upgrade.

The help comes in the shape of vouchers, worth up to £500, under the Connecting Devon and Somerset (CDS) scheme.

By Anders Larsson  
[anders@viewnews.co.uk](mailto:anders@viewnews.co.uk)

The vouchers will cover the cost of connecting to an improved broadband service to boost broadband speeds from 2Mbps, or under, to a minimum

of 10Mbps.

A CDS spokesperson said: "The scheme will provide a subsidy of up to £500, in the form of a voucher code, to fund the installation of a new broadband connection which will be available for at least the next twelve months.

"Eligible residents and businesses that are in receipt of a voucher code can choose to redeem the voucher with one of suppliers listed on the Connecting Devon and Somerset website, with every solution guaranteeing a minimum of 10Mbps download speed.

"To date, over 260 residents and businesses have applied for vouchers, with the number increasing every day." Seven broadband suppliers are currently registered on the CDS scheme offering a variety of technology solutions including fibre to the home, wireless and satellite.

The spokesperson added: "CDS is in discussions with other suppliers, so it's possible that even more suppliers will eventually join the scheme offering residents and businesses even more choice.

"Residents and businesses in receipt of a voucher will still be entitled to a superfast broadband connection under phase 2 of the CDS programme – a procurement process for which is expected to launch in the summer."

Somerset County Council member David Hall added: "This voucher scheme offers residents and businesses yet to benefit from the CDS Programme immediate access to improved broadband.

"The benefits will be felt across both Devon and Somerset and offers residents and businesses on

some of the slowest connections a real boost in speeds.

"We've been working hard to overcome the challenges of connecting rural areas and this scheme is the product of feedback and extensive engagement with suppliers.

"Based on this, a panel of suppliers has already been put in place, and more will be added as and when is necessary.

"We will ensure that the Voucher Scheme operates as efficiently as possible for both the supplier and consumer, as part of our commitment to provide consumers with the choice and excellent broadband provision that they deserve."

David Hennell, Business Development Director at Satellite Internet said: "We have been working closely with CDS for a couple of years and we are delighted to be working with CDS on their Basic Broadband scheme. "Satellite Internet is offering broadband over a satellite connection, providing fast and robust connectivity to those hardest-to-reach properties that simply can't be serviced by any other means.

"We are involved in several broadband rollout schemes in the UK and we find reassuring that CDS has examined existing schemes, adopted the best parts and further improved upon them by creating its own program."

## TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

### AXMINSTER

## Two church services for Queen's birthday

**AN ANGLICAN** church service for the Queen's 90th birthday could be held without the presence of Axminster's mayor.

It is not yet known who will be Mayor of Axminster come June 12th, but should Douglas Hull be re-elected for the customary second term he will not attend the service.

The 11am morning service on Sunday, June 12th, to be taken by Dr Paul Davis, Chaplain to The Queen, is part of a programme organised by a group of residents, including town councillor Mervyn Symes, to celebrate the Queen's birthday. Axminster Mayor Douglas Hull, though, has been instrumental in organising a 3pm service in the Guildhall with Axminster Churches Together.

When asked if he would attend the morning service should an invite be issued, Mr Hull said: "I will be preparing for the Churches Together service, I can't be in two places at the same time."

### OTTERY ST MARY

## West Hill councillors call for meeting

WEST Hill representatives on Ottery St Mary Town Council have called for an Extraordinary General Meeting (EGM) after it was announced that there would be public meetings to discuss the village's move for independence and to help residents better understand the implications of the split.

At the EGM council members will be discussing whether there will be a panel of town councillors, approving who will be making any representation on behalf of Ottery St Mary Town Council, and agreeing speaking rights for members of the public.

## From the editor's chair Concerns over late-night violence

THOSE of us fortunate enough to live in this area know and appreciate that it is a relatively crime-free area.

We also appreciate that police budgets are under pressure and the days of our streets being policed at night belong to another age.

Ask anyone about the police and 99 per cent say they want to see a greater presence on our streets. It's not going to happen.

Whilst crime figures are still relatively low in *Pulman's Country*, the number of late-night violent incidents is a concern to many.

This newspaper – and others – get frequent calls from readers about anti-social behavior when the pubs turn out and in Axminster especially there have been a number of disturbing incidents in recent times.

Reports on crime figures are provided on a regular basis to our councils. At one time a police officer would attend to present these reports and answer any concerns expressed by councillors. Reduced staffing levels don't allow for this to happen, although on occasions PCSOs do attend.

At the April meeting of Axminster Town Council the police report highlighted that incidents of violence and anti-social behavior were proving to be a problem.

This newspaper is aware of a recent violent attack on a local resident which caused serious injuries that necessitated hospital treatment. The attack was witnessed by an independent third party. It took two weeks before the injured person was interviewed by the police who decided that no action would be taken.

There was an incident a couple of years ago when an Axminster resident was attacked outside a pub and suffered such severe injuries that a metal plate had to be inserted in his head. His life was in the balance. Again, no action was taken.

Police will argue that we don't know the full facts but it is disturbing to think that such horrific injuries can be inflicted on our streets late at night with no consequence to those who commit such violent acts.

Another newspaper reported last week that late-night revellers in Axminster are making life a misery for town centre residents. They were too frightened to give their names for fear of retribution.

Don't get me wrong, I believe the police do a wonderful job under difficult circumstances, but by their own admission increase in violent incidents are becoming an issue.

### HONITON

## Post Office will move to WH Smith

WH SMITH has been chosen as the preferred destination for the relocation of Honiton's post office, and a consultation period has been set up for the public to have their say on the proposed changes.

The Post Office announced plans back in January that they were looking to close their crown branch in Honiton – with general opinion being that WH Smith was the most likely new home for the town's post office, as the company already operates more than a 100 post office counters across the UK.

The move is planned for August and the new location at WH Smith would offer nearly ten extra hours of service, as well as being open seven days a week.

### SEATON

## Mayor will not seek second term

SEATON mayor Councillor Tony Woodman will not seek a second term in office, saying it will be easier to speak his mind from the backbenches.

His intention to stand down was confirmed in a statement, in which he said: "I feel a year in office is enough and I will not be seeking a second term or any other high office on the council.

"I will remain on the town council to represent those who elected me, but it will be on the backbenches from where I can say what I think and push for the things I believe important to the town.

Some 'insiders' believe that current deputy mayor (and former mayor) Peter Burrows will be selected as mayor during the town council meeting in May.

### SIDMOUTH

## Boost to tourism with £2M hotel refit

TOURISM in Sidmouth is set for a boost after a hotel chain invested £2million in the former Westcliff Hotel, turning it into a state of the art getaway.

One of the UK's most luxurious hotel groups, Harbour Hotels, has refurbished one of Sidmouth's most famous holiday spots by introducing 22 new courtyard bedrooms, the new 'Upper Deck' bar and restaurant, a stunning new function room and a restyled reception and lounge areas.

It is hoped the refurbishment can help continue the reinvigoration of Sidmouth over recent years.

### COLYTON

## 'Much achieved' on neighbourhood plan

COLYTON Parish Council has been told that "much has been achieved" on the neighbourhood plan, despite reports of fall-outs and resignations over the past few months.

Colin Chesterton, chairman of the Colyton Committee, admitted that the Colyton Committee was a "work in progress", but said he was still encouraged by progress made.

"With the work ethos of those on the committee and steering group I am confident that we can complete in 2018."

# Community champions presented award by mayor at annual meeting

TESCO community champion Helena Jones is not normally known for being lost for words – but she was when it was announced that she had won Ilminster Town Council's Honoured Citizen award for 2016.

Helena was presented with her award by the Mayor of Ilminster, Councillor Rose Neave, at last Tuesday's annual community assembly held at Greenfyld First School.

The award is presented annually to someone in recognition of their services to the town and townspeople.

Helena has worked relentlessly for the community and for the benefit of others in her own time and in her role as "community champion" at the Tesco store in Ilminster.

She has been involved with numerous groups and events including the Ilminster Fireworks, the Archie Gooch Pavilion, Greenfyld First School's Swimming Pool Appeal, the Ilminster Forum Committee, the annual senior citizens' lunch and the newly-launched defibrillator appeal.

Her achievements have included raising more than £21,000 for charities over the past year, including Diabetes UK, British Heart Foundation and the Dementia Action Alliance.

The mayor said: "Helena's drive and passion is unique and her commitment to our town is unrivalled."

Almost speechless Helena commented: "I wasn't expecting this. What I do is really my job – but I do really enjoy it."

Swanmead Community School pupil Aidan Upshall won the annual Bradley Cullen Youth Citizen of Ilminster award in recognition of his brave and positive attitude following the sudden loss of his dad Gavin.

"Aidan has been very brave in supporting his mum and brothers following the sudden loss of his dad," said the mayor.

"He has also raised funds for an epilepsy charity and his friends are very proud of him."

Aidan helped to raise the most ever money in a charity cake sale at Swanmead which – supported by Daniel Baker and others – amassed £433.50.

There were smiles all round when Aidan received his award from the mayor who held back the tears as she presented it to him, along with Mark and Tash Cullen, the parents of Bradley Cullen, whom the award is named after.

Bradley, a student at Wadham School in Crewkerne, having previously been a pupil at Swanmead in Ilminster, died in 2013 at the age of 15 having lived with Duchenne Muscular Dystrophy.

Bradley's brother Jake was also on hand at the awards ceremony to congratulate Aidan on his award.

There were tears all round when Jannine Cox was presented with the Mayor's Award in recognition of her tireless contribution to both the young and old of Ilminster.

"Jannine has always been there for others even through serious personal adversity," said the Mayor. "She has been supporting the community without being noticed for asking or looking for recognition."

"I think it is often more important that these kinds of people are rewarded and appreciated for what they do – more so than those you see in the press every week."

Jannine, who could not hold back the tears and was clearly shocked when her name was read out as the recipient of this year's Mayor's Award, works at the Hazelwell Lodge specialist care home in Ilminster.

# Longer trading hours for new post office

THE Post Office will offer significantly longer trading hours when its Crewkerne town centre branch re-opens in a new location.

Crewkerne Post Office has been closed since January 2016 because the landlord requested to have the premises back.

A search for alternative premises has resulted in a plan to provide a branch within Dailyz Tech, 11 Market Street. The decision has been made subject to a six-week public consultation.

A Post Office spokesperson said: "To quickly restore a service to our customers, we have made the decision to re-open Crewkerne Post Office at this new location – a family-run shop which specialises in phone and computers – games equipment and repairs."

"We have begun a six-week public consultation, which ends on June 1st.

"We welcome your feedback on the new branch. In order to restore Post Office services to our customers in Crewkerne, the new service may open during or soon after the end of consultation. However, this does not affect the period of public consultation.

"Post Office services will be delivered from three modern counters – one full-screened, one open-planned and another open-plan counter integrated into the retail counter of the store."

Services will be provided throughout the shop's opening hours: Monday to Saturday 9am to 8pm and Sunday 10am to 8pm.

The spokesperson added: "This will be an extra 10 hours a week of Post Office service than previously offered including all-day Sunday."

"The branch would also close significantly later. These changes would make it far more convenient for customers to visit."

Post Office Regional Network Manager Simon Drinkwater added: "We are delighted to soon be restoring Post Office services to

Crewkerne. Just like the vast majority of branches, this branch will be run alongside the operator's retail businesses, which helps the sustainability of the branch and its long-term future."

The Post Office is inviting customers and interested parties to give their comments on the move in the public consultation.

The spokesperson said: "During the public consultation, Post Office welcomes feedback on any issues customers would like considered before a final decision is taken on this proposal."

Submissions can be made during the consultation by Freepost YOUR COMMENTS to Post Office Ltd, via email to comments@postoffice.co.uk, via the customer helpline on 03457 22 33 44 or text 03457 22 33 55.

Customers can also share their views online through the quick and easy questionnaire at postofficeviews.co.uk with the branch code 171549.

# Trains delayed after children seen on track

TRAINS were delayed after two children were spotted on the railway line between Crewkerne and Axminster, near Chard Junction.

British Transport Police was called at about 5.30pm on Tuesday, April 19th.

A spokesperson said that a caller reported having seen two children walking on the railway line.

A search was conducted, but nobody was found.

A spokesperson for South West Trains said: "There was a trespass incident between Crewkerne and Axminster, which affected a small number of trains with delays of around 20 minutes."

# Chard send birthday message to Queen

## Photos by Steve Monk

CHARD was among towns, villages and cities across the country which lit a beacon last Thursday to mark the Queen's 90th birthday.

The event was organised by Chard Town Council and the beacon was lit by town crier Stuart Cummings.

Many local children, including representatives from the local Scouts, attended the lighting of the beacon and were told about the special occasion by the town crier (pictured right). They were also treated to hot chocolate served by town councillors Jason Baker, Jenny Paton, Gary Shortland and Jenny Orchard (below right).

# Springtime bouquets at 'inspirational' workshops

THE spring season was welcomed by ladies from all over Somerset, Devon and Dorset at two flower arranging workshops held at Combe St Nicholas Village Hall, near Chard.

A huge variety of seasonal flowers and foliage were used to make beautiful spring posies.

The ladies watched a step-by-step demonstration first, which included showing them how to spiral their stems, followed by an easy method to securely tie them. They were then able to add the finishing touches by wrapping them if they wanted to give their posy as a gift.

Amongst the beautiful scent in the village hall created by the flowers was a lot of fun, laughter and great excitement for the floral design they were making.

Lots of floristry hints, tips and tricks of the trade were given along the way.

Ingrid Edginton, from Chard, said: "These workshops are inspirational! I learnt about how to condition my flowers so they are at their best and also learnt some useful tips about roses and gerberas. This was in addition to making my beautiful spring posy which was wrapped in grapevine.

"I was really pleased with my design. Jackie is extremely knowledgeable and teaches with such enthusiasm and encouragement I will definitely be coming again."

Local tutor Jackie Nicholls, from Ashville Design, who teaches the workshops said: "I really must congratulate everyone, particularly those who had never been to workshops like these before, they all did so well. It really does prove that you don't need any experience to have a go.

"Spring is the start of warmer weather and happier days, so to be able to have fun teaching such an uplifting design was an absolute pleasure. Working with flowers is so relaxing, therapeutic and stress free. I'm really looking forward to all the other workshops that are coming up soon."

## Folk dance club members have spring in their step!

OWING to the illness of the published musicians, Jeroka were the surprise accompanists for the recent meeting of Chard Folk Dance Club.

Aileen Wills was the caller, and she started appropriately with a dance called "Spring Fever".

In fact, the members showed how good

they were at learning a lot of new dances, as only two or three were previously known to those present.

The next meeting of the club will be on Thursday, April 28th, when the musicians will again be Jeroka, and the callers will be Mary and Robert Blackborow.

New members are always welcome.

# First time for everything at station open day

THE open day at Crewkerne Railway Station provided a number of firsts.

Organisers from the Friends of Crewkerne Station (FOCS) said it was the first time the waiting room and the toilets stayed open for some of Saturday afternoon, thanks to South West Trains.

It was also the first time there was a piano on the platform for passengers to play and it was the first time that there was a "pom-pom bombing".

FOCS chairman Tony Reese said that the number of people using the waiting

room into Saturday afternoon proved there was a need.

He added: "Crewkerne station can be a wet and windy place when the waiting room is closed.

"It was good that there was warmth and a welcome for people using the station, as well as somewhere that could house an event such as this.

"As the number of passengers using the station grows, we look forward to the station facilities being available for longer hours. And thanks to all those who bought

raffle tickets."

The piano on the platform proved to be huge success being played constantly all morning.

The members of the Orchard Piano Group turned out in force to play, and passengers were invited to have a go.

Piano Club and FOCS member Gail Coleshill said: "People obviously enjoyed the music and some even joined in by singing.

"It was great that some children played the piano too. "We are very grateful to

Beaminsters for lending us the piano and to all the strong men who helped shift it."

Passengers were also treated to a wonderful pom pom installation on the opposite platform, featuring train made of pom poms by Creative Crewkerne as part of two-wide initiative.

There was a lot of interest in the history exhibition in the booking hall and some people were able to add to it with their memories.

Gail concluded: "FOCS is extremely grateful for all the support, particularly from local businesses who supplied some wonderful prizes."

# 'Singing for Fun' group entertain shoppers during weekly market

SINGERS from the Crewkerne & District University of the Third Age (U3A) set out their stall to entertain shoppers at the town's market.

They were part of the public singing event organised by Creative Crewkerne on Saturday, April 16th.

A dozen members of the Singing for Fun group, led by Maggie Davies, performed four songs from popular musicals that had the

shoppers joining in in Falkland Square. Afterwards the group went to Heritage Centre where a keyboard was set up so that they could hold a workshop for those who were interested in singing some more songs and finding out more about the group. "It went very well and we enjoyed ourselves – and so did the shoppers," said Maggie. As well as singing, the members also promoted the U3A by handing out leaflets.

## Technology upgrade for Neroche pupils

THE children and staff of Ilminster's Neroche Primary School returned from their Easter break to see a £30,000 investment in new IT provision.

The school has invested heavily over the Easter period in updating its IT provision.

In addition to providing an additional 30 laptops and 10 iPads, the school has replaced its servers and wireless network to speed up and further improve the network for the school's children.

Sienna from Willow Class (pictured right) said: "The new iPads are really fast and we can find information so quickly. I love having brand new stuff in school."

Headteacher Connel Boyle commented: "Due to the increased popularity of our school and our planned growth in pupil numbers, this has allowed the school's budget to increase healthily.

"It is because of this planned growth and the popularity of our school that is allowing us the freedom to make these key large investments in our school.

"Our school IT facilities are amongst the best available and the enthusiasm of the children and staff in using IT as a key learning tool is fantastic to witness."

## Children given lesson in diversity

CHILDREN at Greenfylde First School in Ilminster were given a talk about equality and diversity.

Gloria Lawrence was invited into the school as a guest speaker and she told her own story of how she was the only black girl in her first class at school and nobody would play with her.

She talked to the classes about different types of racism and, during the session, the children learnt about racism and slavery through songs, actions and videos.

The children listened to first-hand experiences of what it is like to leave your home country and move to another place, exploring both the positives and negatives people face today and in the past.

Greenfylde headteacher Claire Oaten said: "Our children live in a very diverse world and whilst they may not experience the full extent of this locally,

speakers like Gloria and earlier in the term Pete the Poet and Razwan UI-Haq ensure our pupils are gaining a broader knowledge of worldwide communities and the importance of showing tolerance and equality to others."

### Talk on 'Mission to Calais'

PETER Landsown will give an illustrated talk entitled "Mission to Calais" about his trip taking a van-load of locally donated clothes and camping gear to the refugees in Calais.

The talk will be held tonight (Tuesday) at 7.30pm in the Minster Rooms, Ilminster.

All are welcome and tea and coffee will be serviced.

# Ilminster to host town crier competition

TOWN criers from Wales to Sussex and Herefordshire to Cornwall will assemble in Ilminster for the second town crier competition, a follow-up to last year's inaugural event and success.

A total of 15 Town Criers, many accompanied by their uniformed escorts, will parade from Ilminster Arts Centre along East Street to Market House at 11am on Saturday May 7th.

Following a formal welcome and benchmark cry by Ilminster's own crier, Andrew Fox, the criers will compete for the top prize.

In the morning session, each crier will declaim the virtues and beauties of his or her own home town.

Later, after lunch, they will again cry on the theme of "A few of my favourite things".

The criers will be marked by independent judges with regard to their volume, clarity, diction and expressiveness.

In addition, a further judge will consider their uniforms and turnout to select the best dressed crier and best dressed escort.

Mr Fox said: "This should be a very colourful and loud event.

"Town criers have a long and honourable history in Britain, originating in the office of Bellman who informed the local populations of the decrees of their overlords, initially Normans telling the Saxon populace what was required.

"Thus, the criers were regarded as messengers of authority descending from the Crown and it became a treasonable offence to interfere or hinder

their work. For this reason, many were accompanied by escorts to protect them.

"Fortunately, we are far more relaxed about such matters today and the office of town crier has become more of a social function with the escorts much more decorative than the original threatening presence."

Distinguished guests at the event will be Lord Cameron of Dillington and Tony Walker, Deputy Mayor of Ilminster.

During the interval, when the criers will take a well-earned lunch break to rest their tonsils, there will be additional entertainment in the Town Square with singers and majorettes.

## Restricted access during works to connect new football facility

WORK to connect utilities to the new football and community facility means that access from Canal Way onto Britten's Field in Ilminster will be restricted during April and May.

A town council spokesperson said: "The work will be done in two phases. "During the first phase there will be limited access by walking around the

tennis courts and the northern end of the Canal. During the second phase there will be no access to Britten's Field from Canal Way.

"The restrictions and closure are necessary to keep the public safe as a large trench will be dug to lay and connect services such as water and electric to the new building.

"It is anticipated work will start in mid April and last approximately six weeks."

# CLOKS CELEBRATE 10 YEARS!

Chard Local Kids Society For Music and Drama

## Members working hard towards the 10 year celebration

THE members of CLOKS have all been rehearsing hard and looking forward to their forthcoming 10 Year celebration concerts this coming Friday and Saturday at the Guildhall, Chard.

Despite the pressure of exams and preparing to go to university some of our senior members have given up their valuable time to contribute to the success of the concerts.

As well as rehearsing for the two concerts they have also been busy taking part in rehearsals for their summer production 'A Kiss Card from Walter' which is based on a true local story set at the beginning of the 20th century – more news on that later!

Tickets are going fast – they are available from John Barron's, Holyrood Street, Chard.

## CLOKS reminisce for special 10 year anniversary concert

CLOKS (Chard Local Kids Society for Music and Drama) celebrates 10 years with a special anniversary concert. The concert will include at least one musical number from every main show that CLOKS has performed since 'Annie' in 2006. CLOKS is using this opportunity to reminisce some of the best moments over the past 10 years and has welcomed back some of its past members to be involved. The concert will end with a medley of songs from 'Les Misérables' and the grand finale 'Sing' by Gary Barlow and Andrew Lloyd-Webber.

Obviously, the children are the main focus of this concert and they have all worked extremely hard to put this concert together. For our newer members it has been a challenge to learn so many new songs but for many members of the cast it has simply been a case of remembering how they did it last time!

However, there are also a whole host of adults that work together to make these shows as fabulous as they are. Huge thanks have to go to Mary Tucker, our rehearsal pianist. Mary is incredibly patient, extremely talented and has without doubt become part of the family that has developed over the years. Jonathan Farey must be thanked for his contribution as Musical Director and has been assisted in recent years by Jemima, who was a member of CLOKS from the start and has joined in for the concert. The biggest thanks of all should go to Maria Farey, without whom none of this would be possible! She puts in so many extra hours of work to choreograph song numbers, set scenes and simply work out how each member of the rapidly growing cast can all fit on the stage at once! She is the glue that holds the family to-

gether and we all love her very much.

This night will be a celebration of fun, love and happiness. An amazing bunch of children come together to provide you with an evening's entertainment you will never forget. The performances will take place on Friday 29th April and Saturday 30th April 2016 in the Guildhall, Chard, at 7.30pm. Tickets are available from Barron's, Chard and are £8 for adults and £5 for concessions (children, students & over 60s). Come along to support and be part of this extremely special celebration of Musical Theatre.

## Traditional Acupuncture Val Davis

### Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

### Stress describes the feelings people experience when the demands made upon us are greater than the ability to manage them

HELPING you to take control of your life.

Stress describes what most people experience when the demands made upon individuals are greater than the ability to manage them. People can feel overloaded, under tremendous pressure and feel tense or emotional.

Stress affects everyone, young and old and is a completely normal reaction that will be experienced by everyone from time to time when faced with new or challenging situations.

External stressors are sources of stress that we are aware of around us, these can include traumas, life experiences or simply daily hassles. Internal stressors are the sources of stress that are inside us and are often the most common sources of stress. They are the thoughts and feelings that pop into the head and cause unease, these can include unrealistic expectations, uncertainties, low self esteem and apprehensions.

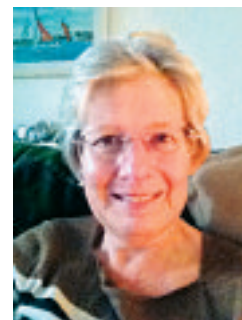

The work place is also known to be a big influence in stress. A study found that more than half of people in work suffer from stress over a period of a year, and statistics show that a quarter of workers have taken time off sick due to stress and that stress is the leading cause of sick leave. Common causes of stress at work include: workloads, long hours, responsibilities, role expectations, bullying or harassment, lack of job security, poor working environment, and lack of support.

Stress can manifest itself as many different symptoms, ranging from physical to psychological and behavioural, and people may experience these to varying degrees. Physical symptoms can include: increased heart rate, sweaty palms, muscle tension, sleep disturbance, fatigue, vomiting, change in breathing patterns, dry mouth, headaches, nausea or dizziness, indigestion or heartburn and sudden weight loss or gain. Psychological symptoms can include anxious thoughts, irritability, low self esteem and confidence, inability to concentrate, feeling fearful, feeling unable to cope, difficulty making decisions, feeling negative and lack of interest in life, feeling alone, loss of creativity, withdrawal, frustration and confusion. Behavioural symptoms can include interrupted or lack of sleep, use of drugs or alcohol, changes in appetite, avoiding situations, changing habits, nail biting, teeth grinding, neglect of physical appearance, lack of communication, putting off difficult jobs and giving excuses.

The first step in helping to manage the stress that you experience is to recognise what is happening is a natural

response, then changing it. Michelle Hague is here to help you take control of your life.

Clinical Hypnotherapy can help to reduce stress and cognitive behavioural therapy and mindfulness have all been used to treat it. For more information or to see if Michelle can help you call 07761773563.

### YOUR HORMONES AND STRESS

ARE you having a hard time balancing your Hormones?

Feel Like your body is doing things you don't understand?

Our Hormones are minute to minute responding to the stresses of everyday life and it is crucial that we learn how to tend to them.

Hormones are responsible for so much within our daily life...in fact, they are involved in everything we do, say and think.

When our hormones are in balance, our life is in balance; we are expansive and radiant. However, when our hormones are out of balance, we can be experiencing hormonal hell, unable to get off the treadmill of stress, depression, rage, pain, exhaustion, sleeplessness and so many more devastating symptoms.

The main hormones are Cortisol, Estrogen, Progesterone, Testosterone, Thyroid & Insulin and they matter because they have a direct effect on our behaviour, sleep pattern, reproduction, weight, sex drive and our capacity to manage stress.

For almost every health condition a woman faces, hormonal imbalances are either in the foreground or background.

Your energies and Hormones go hand in hand, when energies are humming your hormones follow.

Bowen Therapy with Energy Healing can potentially have a direct impact on helping you effectively manage your hormones and bring them back into an essential state of Harmony.

She has undertaken additional training to treat addictions such as smoking and weight loss, fertility and IVF support, pregnancy management and childbirth, Facial Revitalisation Acupuncture (FRA) and women's health issues.

Val used to experience RSI and tried Acupuncture to see if it could help. Acupuncture completely cured Val's RSI and being so impressed Val decided to train in Acupuncture.

### Bowen Therapy & Energy Healing with Melanie Philip

**MELANIE Philip** has been practicing Bowen for 6 years in the East and Mid-Devon areas, she is also a Hatha Yoga teacher and more recently introduced Energy Healing into her work. She has found this fusion to deepen and profoundly affect her client's healing journey. Melanie believes we are more than a physical body and so by creating an interference with our own energy systems, symptoms that present in the body can be addressed. Also, what has not yet arrived in the body is addressed as well, so in effect resolving the problem on an energy level can prevent an issue from becoming physical.

Bowen Therapy is a stimulating and restorative holistic therapy which aims to relieve pain and inflammation by releasing congestion and

aiding the body's own healing process.

It is a non-invasive therapy which involves the therapist rolling their fingers and thumbs over muscle, nerve and connective tissue areas, interspersed with periods of rest. The ultimate goal of this very simple and effective body work is to reset the body systems and trigger the body's self-healing process that in times of stress and illness tend to get confused and often only needs to be prompted and nudged into remembrance and connection with itself once again.

### Relationships: Great expectations!

SO VALENTINE'S DAY has been and gone – were all those expectations of heart-felt professions of undying love and your constant desirability met by your beloved? Does the 'always and forever' still stand?

Romantic occasions and expressions of love are important moments in a relationship, but these can be expressed at any time of the year. The problem is that Valentine's Day has a huge build up, with pressure, both commercial and personal, to come up with the romantic goods.

If your relationship is generally loving and supportive, this day is just another opportunity to say 'I love you'. If, however, there are lots of problems and issues in your relationship which don't seem to get resolved, the expectations of this day become

very weighty and subject to great disappointment on the one hand, and resentment on the other. Flowers, chocolates, dinner may momentarily ease problems, but they won't make them go away or be resolved.

Life isn't perfect, relationships are rarely perfect, but living with on-going disappointments, unmet expectations, anger, resentments and unhappiness is an exhausting way to live and takes its toll on mental, physical and emotional health – for the couple, children and families.

Counselling can help get your relationship back into perspective, and sort out what can and can't be changed. Leaving it too late reduces your options as the willingness, energy and investment runs out. Getting help in time can transform your relationship and, at least, clarify your choices.

If you would like help to make changes, contact me, Anne Roberts, Counselling South West, on t: 01297 301035 m: 07887 961954 email: info@couplecounsellor.co.uk: www.couplecounsellor.co.uk

## Podiatrist / Chiropodist Lindy Parry

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

## Greenshutters Nurseries & Garden Centre

**GREENSHUTTERS** Nurseries & Garden Centre is a family run business nestled in the heart of the Somerset countryside. It is open 7 days a week and stocks an extensive range of plants. The Garden Centre has completely changed in the last few years with the layout being completely re-designed. There are new entrances from the road and into the Plant Area and the old-fashioned wooden greenhouse has been restored to its former glory with its bright, white painted wood. Most of the plants are now on tables so you don't have to bend down to look at them and the layout has been designed to make the walk around the plant area enjoyable.

This year Greenshutters Garden Centre is stocking a much larger range of herbaceous perennials and roses, including new and unusual varieties. There is also a new range of quality garden benches dotted among the plants, so you are welcome to wander around the garden centre and take a rest as you go. You can even sit and enjoy the view over Taunton Vale and the Quantocks.

The business also incorporates EVER-GREENHEDGING.co.uk, one of the largest

stockists of evergreen hedging plants in the country. Thousands of plants are grown every year on the nursery from small to large, mature hedging plants; the best sellers being Laurel, Leylandii, Photinia 'Red Robin' and Portugal Laurel. These are delivered locally or nationwide or can be collected from Greenshutters Nurseries and Garden Centre.

Greenshutters is run by Dr Roger Eavis, who bought the nursery in 1998 and the business has grown steadily every year since then. "We pride ourselves on good customer service and advice, good quality plants and I hope we have created a pleasant place to wander and enjoy the plants," says Roger, "We have a great team of staff who are always willing to help and give advice". Greenshutters Nurseries and Garden Centre is well worth a visit.

## Eden Garden Fencing and Landscaping

**A**T EDEN Garden Fencing and Landscaping based in Seaton, Devon we have been building and installing quality Fencing, Gates and Decking, along with Landscaping, for some 15 years. This makes finding a Fencing Contractor simple by providing for all clients' requirements, large and small locally. The timber products side of Landscapers, Eden Garden Developments, offers a friendly, professional, integrated service and the Seaton, Devon base covers a 30 mile radius.

A timely example, given the present gusty conditions, is Garden Fencing, where this can be replaced or repaired, depending upon condition and the budget available. This can be either Close Board, Panel (with or without Trellis), Post and Rail or Picket Fencing. Eden

Garden Fencing and Landscaping also supply and fit Gates (see insets).

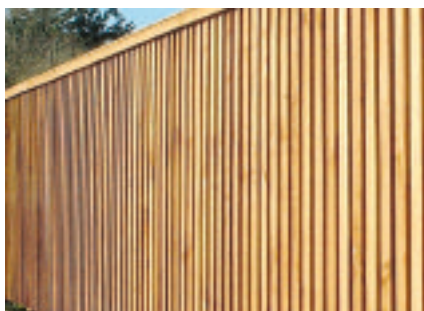

Whilst we take pride in installing robust and durable fencing products, "cost leadership" is still at the forefront of the business, whilst keeping quality and the principles of design foremost. Much of the work can be done during Autumn and Winter when the ground is less compacted and this time is also perfect for renovating the garden generally. So by Spring many garden improvements can be ready to be enjoyed.

There is now a dedicated Timber Products website, [www.edengardenfencing.co.uk](http://www.edengardenfencing.co.uk), giving examples of the range and quality of workmanship. ## Sterling Preservation Limited

# Don't let Beetles play in your Loft!

SPRING heralds the beginning of "woodworm season" when the common furniture beetle begins to emerge from the centre of timbers where it's been eating during the winter. Their presence is detected by little round holes often coupled with deposits of dust.

Given the right conditions beetles can infest a wide variety of timber, both soft and hardwoods including structural building timbers, furniture and wooden ornaments.

If left unchecked infestations can lead to severe structural weakening and eventually total collapse.

But treated early with an effective woodworm insecticide, common furniture beetles don't pose a major risk to structural durability.

Have your Timbers treated without delay ensuring

## Desert to Jungle

### Exotic and large plants

"DESERT to Jungle", at Henlade, Taunton, is not your average garden centre.

Owners Rob and Dave have created an oasis of exotic looking plants with which you can turn your garden into a taste of your favourite holiday destination. Be it the tropical Caribbean, the colourful yet dry Mediterranean, or even the Arizona desert, there are plants to suit at the nursery.

But here is the best thing of all....nearly all of them are hardy in an English winter!

Owners Rob and Dave are passionate about their nursery and are a mine of knowledge and guidance as to the most suitable plants for the look you want and the budget you can afford.

However the nursery is not just exotics. There is a large range of "bigger than average" plants, and bamboos, particularly useful for an instant effect, of if you want to screen off your neighbours garage or extension, or just cannot wait for your garden to grow."

Wide range of hardy ferns and tree ferns.

# Honiton Slimming World is expanding

SLIMMING WORLD groups in Honiton have been helping a tremendous amount of members recently, so much so that the Tuesday sessions have been quite literally queuing out of the door.

Consultant Sharon Grove says "its fantastic that we are encouraging so many people to join our group for support on their weight loss journey, but with groups so large I worry that the service we give to our members could suffer so have decided, with immediate effect, to open a new 3.30pm session to help ease the load with our 5.30pm and 7.30pm sessions"

We look forward to welcoming you to our groups held at the Honiton Family Church every Tuesday and every Wednesday at 9.30am and 7.30pm.

## Square & Compass

### A very relaxed, elegant wedding with very, very good food

THERE has been an inn at Windmill Hill for around 200 years and it is part of the fabric of the area. The Square and Compass is now a well-known hotel, renowned for excellent food. Owners, Chris and Janet Slow have been resident for 20 years and in this time they have built up a reputation for very good food and drink. Run in a relaxed, informal manner, you can enjoy a drink, some food, or celebrate a special occasion in the Barn, a separate venue behind the Square and Compass.

The Barn Set in its own spacious gardens, the Barn is completely separated from the Inn and Stables Hotel rooms and is a very popular venue for weddings. Full of rustic charm with heavy wooden tables, chairs and careful lighting, it is decorated with a rural theme and can hold up to 250 people. The informal atmosphere that gives the Square and Compass its special charm extends to the Barn, allowing you to relax during your special occasion knowing that every detail has been planned exactly to your needs beforehand so the whole day runs seamlessly. We are absolutely committed to making your day as perfect as we possibly can. The Barn's rustic appearance belies modern facilities. There is a dance area and stage with a powerful sound system and lighting set up. There is also a fully licensed bar, modern toilets and disabled access in all areas. The Barn has a civil license for weddings, with the large gardens surrounded by fields making a truly beautiful setting. We built the Barn using old-fashioned materials, specifically for weddings. We think it is the perfect venue for your special day. The Barn is a little more than 5 minutes from Junction 25 of the M5 at Taunton and likewise from the A303 at Ilminster. Although set in pleasant rural surroundings, it is easily accessible with full facilities available for business meetings, exhibitions and corporate events. The speciality of our weddings is that the whole day revolves around an exceptionally good quality, generous meal in the afternoon, prepared and cooked by a team of highly professional chefs led by Janet, one of the owners. 'We find that if the food is really good everything else slots into place' says Chris.

## Rockbeare Manor

A PAIR of elegant white pillars leading to a long tree-lined driveway show that you've discovered the entrance to Devon's newest, and very special exclusive-use country house wedding venue – the magnificent Rockbeare Manor.

Originally built in 1760 as a home for entertaining, this stunning Grade I listed manor house has undergone a thorough and loving restoration, being sensitively transformed into a truly outstanding contemporary venue, whilst still retaining the beauty of its past.

From the moment that you first arrive at Rockbeare Manor, which is conveniently located between Honiton and Exeter, the events team will be dedicated to you. The utmost care and attention will be given to every aspect of your day with the professional, bespoke service.

Exclusive use weddings are hosted for 50 to 150 guests. Civil ceremonies can take place on the pretty terrace, or in the Manor's formal Dining Room - a graceful room with hand crafted ornamental plasterwork and marble pillars.

In the magnificent Ballroom the giant contemporary chandeliers, high ceiling and full length windows overlooking acres of parkland give the room an expansive,

airy feel; making it the perfect space for the wedding breakfast. Led by the venue's own experienced Head Chef, there are a beautiful range of dishes, lovingly prepared using the finest ingredients for you to select from.

As the spirit of the house extends into the garden, the glorious views take you across the parkland, the picturesque lake, with the rolling hills of Dartmoor beyond. At every turn there is a dreamy backdrop to create the most memorable photographs of your day.

Returning to the house, the grand staircase leads to an opulent bridal Drawing Room. Take a moment here to enjoy your day, reflect a little, then throw open the floor to ceiling windows and step out onto the balcony - what better place for the bride to throw her bouquet.

And grooms, there's even a little something for you and your groomsmen to while away the time. The Billiard Room, with its low lighting and antique Billiard table, is the perfect retreat for the men of the wedding party while the bride is preparing for the ceremony.

Come and spend some time with us at Rockbeare Manor, see this wonderful house for yourself and explore how to create your perfect day.

# THE BIG 'TO-DO-LIST!'

Staring at a massive 'to-do-list' before your big day can be incredibly overwhelming. Especially when all you want is to create the perfect day for the beginning of the rest of your life, with your loved one to be! So we have broken down the top 10 key elements, to put your mind at ease. So put your feet up, and dream BIG!

**1. Budget:** Budget equals scary for a lot of people. But all you need to do is think realistically and set a price you and your partner can both agree on.

After this, it's all about prioritizing the things that are most important to you; the spectacular stately home, the stunning vintage wedding dress or

the most delicious petits-fors! Knowing what is most important to you will really shape your day into what you both want.

Keep your eye out for hidden charges, such as corkage fees – as this can set you back a small fortune.

**2. Location, location, location!:** Location is key! Having a personal interest in a venue can really make your day. If you are religious, spiritual or humanist, there is almost certainly a venue out there to suit.

Be mindful that in the UK you can only legally marry in registered locations – but this doesn't have to go against your perfect spot! Blessings can take place on beautiful beaches,

magical woodland and trendy city spots. The world is your oyster!

**3. The after party:** After the ceremony, you will of course want to celebrate! Of course many ceremony venues are open to you for your whole big day, and offer many packages to suit your budget.

Why not think outside of the box by looking for quaint villages or town halls, industrial warehouses, barns, museums or a meadow for a tipi.

# Styles & Trends: *Lace Wedding Dresses*

LACE is an eternally beautiful material for wedding dresses, and it's a style that has lasted for centuries in the fashion world. It's a favourite amongst designers worldwide, its reputation huge. And it's not hard to see why!

## Wedding Dress: Fashion Trends

Lace seems to be everywhere, and the biggest designers are using it all over the world. They have been for years! Its regard may in part be due to the fine craftsmanship that is handmade lace, but the popularity of the white lace wedding dress is often attributed to Queen Victoria's marriage to Prince Albert in her lace-trimmed gown, train, and veil. Celebrities really help to push the reputation of this fine material—just look at Grace Kelly, whose wedding dress is famed in the fashion world. Now lace is everywhere, from bridalwear to wedding decoration.

Lace features in many of the trends for next year, most prominently with the likes of nude lace. The design acts as a bit of an optical illusion that may, for some, seem a little bit racy. But it gives some absolutely beautiful effects, and a look like that of old vintage.

Being a very traditional, flattering material, lace is wonderful for a vintage or art deco wedding. It really adds a pretty elegance to the wearer, and with the ornate designs available right across the material, you can get any number of beautiful fin-

ishes to the dress. Open backs seem to be a big trend for next year, and lace can really set off that effect. Also bohemian gowns and tea length dresses really run with lace, giving some of the most stunning designs.

## Choosing the Right Material

If you're worried a full-lace wedding dress isn't for you however, don't fret! You can still get that spark of vintage with lace sleeves, shoes, a cloak, jacket or bolero, or a belt, veil or a hairpiece. Perhaps even a handkerchief or a pair of gloves? Lace is a very flexible material to work with; with it, you can get any number of styles: chic or floaty, grand or unadorned. You may even consider some appliqué work, where bits of lace are stitched by hand to parts of the dress in order to accent it. Don't be afraid to try out different colours either—ivory lace on a white dress, or white on pale pink or blue-silver? Brides are no longer going after the classic white wedding. Feel free to shake it up!

Choose your lace carefully, as it can come in many forms and give any number of stunning effects—some is denser and heavier with deep patterns, some is lighter and softer, its design delicate. And then there is even lace decorated with beads and sequins, crystals, gems and pearls, and these really echo the fashion of the Roaring Twenties or the Victorian era. Research thoroughly by perhaps keeping a scrapbook of the materials you like, and the dress designs you love, and be careful when it comes to buying your dress/accessories. There are many cheap knock-offs in the world so it's advised that you seek professional advice on what to look for when buying your items. Of course, not all of the cheaper lace is a bad thing, for when it's done right it can really suit a bride on a budget and still look magnificent.

## Axminster Weight Loss Centre

JODIE started her Cambridge Journey back in October 2013 after finding out that she had been diagnosed with Cervical Cancer. Weight had always been a struggle and it was then that she decided she needed to take the first steps to being healthier, feeling happier and getting rid of the excess weight she had gained over the years.

By March 2014 Jodie had reached her target weight and had lost between 5 and 6 stone. This was when Jodie decided she wanted to help others do the same and only 9 months later Jodie was awarded a highly commended consultant award at the Cambridge Convention.

Due to so many happy customers, this led to the opening of Axminster Weight Loss Centre where the success of many of Jodies customers has continued.

In November 2015 Jodie was awarded the 'rising star award' that was shortly followed by 'UK New Consultant of the Year' and 'Cambridge Champion', which means one of the top 50 consultants in the country.

Cambridge can help you loose weight before your big day and ensure you are feeling and looking the best that you can. It can be used within the NHS and has 32 years of experience in helping people reach their goals.

Jodie offers free unlimited use of vibration toning plates and free one to one support 24/7 as well as free diabetes indicator testing and full medical body composition scans.

# Psychic Vibration on the Medium Wave

EX-HAIRDRESSER Steve Holbrook, regarded by many as one of the UK's top Clairvoyant Mediums, is visiting Honiton TONIGHT (Tuesday, April 26th), and he explains how he hears the voices of our loved ones that have passed away. His ability started from behind the salon chair, and he now visits Theatres and Hotels around the country, and as far as the Caribbean, demonstrating his unique ability to act as a telephone exchange between this world and the Spirit world.

Steve says that he was always aware of being a child that life existed beyond the grave, when he awoke to find five soldiers marching through his bedroom, but could only see the top half of them floating through the room. "This was very un-nerving experience but it was to give me an early glimpse of what was

to come, and now it's as natural as breathing to me"

Steve started work in Leeds city centre in a busy hairdressing salon, and feels that the years he spent behind the chair, having that personal contact with the customers, stimulated this rare, yet natural ability to hear the voices of spirits. People used to come in and book for their hair cut, and often got more than they bargained for when he passed on a message from their loved one. Steve was always the busiest stylist, and had a 6 week waiting list if people didn't re-book immediately, and says "I often wonder if they kept coming back for my ability as a hair stylist, or the possibility that they might receive a message from a relative who had passed away!"

He now gives messages of re-assurance to

people who have lost their loved ones, and by communicating with them, helps them understand that life continues, just simply in a different dimension. One lady's mum came through to her in one of Steve's messages, and said to the daughter "don't forget the brown Prada handbag on Friday". The lady replied "I'm putting it in my mums coffin on Friday, she only died 5 days ago". Who would know this information?

Steve has raised tens of thousands of pounds for charities over the years, £50000 for his local hospice in Wakefield, £5000 for MacMillan Support, and most recently our current total for PACT – a charity that helps terminally ill children and their parents across the country – is almost £21000. He is dedicated to raising funds and awareness for this charity.

# Jazz Chemistry

TWO GIANTS of contemporary jazz return to Ilminster Arts Centre on Friday, May 6th, for an evening of enthralling jazz artistry at the highest level.

This very special concert will team Gilad Atzmon and his Orient House Ensemble with special guest Alan Barnes.

Both men have played the Arts Centre to great acclaim on previous occasions but they have not played here together before, so this concert offers an exciting opportunity to see two charismatic and skilled reedsmen in action. Advance booking recommended.

Gilad Atzmon is a jazz artist and a multi-instrumentalist who plays saxophones, clarinet and

ethnic woodwind instruments. He has been described as "one of the finest alto players around" by BBC Music Magazine and "a jazz giant" by The Guardian, while his album 'Exile' was BBC jazz album of the year in 2003.

Gilad's powerful personal style combines great bebop artistry and Middle-Eastern roots in a sophisticated manner. Gilad has recorded and performed with Ian Dury, as well as Robbie Williams, Sinead O'Connor and Paul McCartney. His Orient House Ensemble was formed in 2000 with a line-up that includes Chris Higginbottom on drums, Yaron Stavi on Bass and Frank Harrison on piano & electronics.

Top sax player Alan Barnes has won numerous British Jazz Awards. Having taken up the clarinet at the age of 12 and the alto saxophone at 15 Alan studied both instruments (plus flute) and arranging at Leeds College of Music. He has worked with, among others, Humphrey Lyttelton, Don Weller, Stan Tracey and John Dankworth, and the BBC Big Band. He has also played on albums by Van Morrison and Bryan Ferry.

Gilad Atzmon and his Orient House Ensemble, with Alan Barnes play at Ilminster Arts Centre at the Meeting House on Friday, May 6th at 8pm. Tickets are £18 (pre-show supper £13 at 7pm booked in advance) available from 01460 54973 or [www.themeetinghouse.org.uk](http://www.themeetinghouse.org.uk).

# All wrapped up

SOMERSET'S legions of quilting and textile fans are in for a treat when the new exhibition at Ilminster Arts Centre opens on Monday, May 2nd. Renowned textile group Wrapped Up! bring their latest work to the Meeting House and will be sharing their ideas, interests and techniques in an exhibition that will delight anyone with even a passing interest in textiles and art quilts.

The group uses a variety of processes, media and tools to create a diverse range of contemporary textiles reflecting each artist's personal journeys. The surrounding world, be it natural or man-made, informs their work and all the artists are deeply inspired by colour. Although their individual palettes are different the collective result is uplifting and dynamic.

Wrapped up! comprises four artists, Jacquie Hardcastle, Janis Parle, Debbie

Hammond and Amelia Leigh, who all met when they studied together for a City and Guilds Diploma in Patchwork and Quilting. Although the group is geographically dispersed, with two members in Kent, one in West Sussex and one recently returned to Somerset, the artists meet monthly in each other's homes.

The exhibition will be something of a homecoming for Wrapped Up member Debbie Hammond, who says "It was my idea to come to Ilminster because I lived in the town from 1978 to 1989 and still have family in Yeovil and have visited the Arts Centre, which sadly was not there in my day. At the time of booking I had no idea I would be moving home and even less that I would return to Somerset!"

The exhibition runs until Saturday, May 14th, open 9.30am-4.30pm Monday-Friday, and 9.30am-2.30pm Saturdays.

# They'll shake you all night long!

HELLS BELLS, the no.1 AC/DC tribute, are back at Winstons in Seaton on Saturday, April 30th, 9pm.

Having played to a sold out audience last time they were here, another high voltage performance is guaranteed, and with half of the tickets sold, you don't want to miss this.

Lead Singer Lee said: "We had a blast last time and the audience was fantastic, Winstons is one of the few smaller venues that we play and this is down to the fact that Chris has worked hard to make Winstons one of the best venues in the South West and the fact that people are turning up regularly to the gigs he puts on is testament to this".

Manager Chris Oakes agrees: "We set out to give people the opportunity to see top acts at reasonable prices and we have been overwhelmed by the support from locals and further".

Expect to hear classic AC/DC from all eras, tickets are £10 in advance, £13 on

the door, and are available from Winstons, Beer Village Stores and Ax Music in Axminster.

# Bluebells and Honey

THE bluebells are coming! We notice them first, lining the ditch along the road leading to the Honey Farm, the haze of blue a perfect foil to the soft lemon of the primroses. Soon, we know, Blackbury Camp (Castle) just along the road from us, will be a sea of blue under the beech trees, a glorious opportunity for photographers to capture that perfect moment.

Talking of which, we have a new talent at the Honey Farm. Izzie Taylor, aged 11 has taken a fantastic shot of bluebells at Blackbury Camp and her cards are on sale with us now.

Lots of people went to check on the progress of the bluebells last weekend and called in at the Honey Farm on the way. They were not disappointed. Modesty should forbid but I have to say that our lemon drizzle, ginger and chocolate cakes, all made here, are superb and judging by the rate at which they were disappearing our customers heartily agree! Cream teas, toasted sandwiches and home - made soups were also flying out of the kitchen in a steady stream.

We were pleased to spot Karen from the AONB office, bringing more leaflets to inspire the explorers of our beautiful piece of Devon, for which we are proud Ambassadors.

Beekeepers from the local associations were also with us last weekend, bringing bees to get a health check before the season starts in earnest.

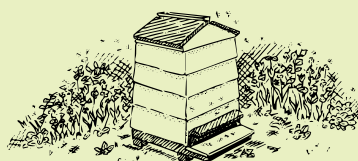

Our bees are busily bringing in pollen to feed lots of new workers for the summer ahead.

Do drop in when you go to check on the progress of the bluebells, we'd love to see you.

# The small hall with the BIG reputation

## David Hall

FOLK • ROOTS  
ACOUSTIC • JAZZ  
BLUES • DANCE  
THEATRE • FILM

APRIL has proved to be another month that provided music of both quality and variety at The David Hall.

On Friday 8th, a brilliant night of Bluegrass was presented by the multi- talented Stompin' Dave and his band. They proved why they are billed as a 'super group' with their amazing musicianship and total commitment to the music. One of the most entertaining bands on the circuit.

On 16th April we welcomed the Swedish artiste Benjamin Folke Thomas and his band for their first visit. This was a stunning performance of what Ben describes as his take on Alt-Country Country-Rock and Americana. Fantastic material played with great skill all fronted by Ben's rich and powerful voice. This was a memorable night.

On Friday 22nd we saw the return of a lady who has graced our stage many times for well over a decade when Kathryn Tickell performed with the massively talented The Side.

Kathryn is without doubt the best-known and finest Northumbrian pipe player performing today. The mixture of pipes, fiddle, accordion, harp and cello, interspersed with fabulous clog dancing, made this a night that will long be remembered by a full house, many of whom have asked me to get them back soon. It is my hope that this will happen in 2018.

On Saturday 23rd, the Solid Air Concert was performed by the very talented Keith James. This event included the music of two legends - John Martyn and Nick Drake - as well as songs by Joni Mitchell and Neil Young, amongst others. A night enjoyed by all.

I am really looking forward to May, with what promises to be a really special month as far as gigs are concerned.

On Friday 6th, BBC Radio 2 Folk Award winner Emily Portman will perform with her trio. Emily's third album, Coracle, is made up of self-penned songs steeped in the Folk tradition. With Emily being supported by Lucy Farrell and Rachel Newton, all lovers of Traditional music will know this promises to be a gig from the very 'top drawer'. This trio sings out over an atmospheric, layered soundscape of harp, strings, bells musical saw and percussion.

Emily Portman

We shall take another different musical direction on Saturday 14th May with a visit by the genuinely unique seven-piece band, Blowzabella, who make an inimitable, driving drone-based sound played with a fabulous sense of melody. For over three decades their music has been influenced by a mixture of English and Eastern European dance tunes. This 'Chance to Dance' night will be made all the more special by a two-hour Dance Workshop in the afternoon. Full details are available in both our printed programmes and on The David Hall website

[www.thedavidhall.org.uk](http://www.thedavidhall.org.uk)

On Friday 27th May, The David Hall begins a week of special events to celebrate the 30th Anniversary of The Petherton Arts Trust and our very special "Small Hall with the BIG reputation".

As well as music, we have an acclaimed film - the digitally-restored edition of The Third Man, originally produced in 1947 and starring Orson Welles; three performances of A Midsummer Night's Dream by the Bristol Old Vic Theatre School - and, for families, The Whale's Tale by Music Box, an afternoon show and music/storytelling workshop, on Saturday 28th May. Performance Night on Thursday 2nd June is also included among these special events. All styles and forms of performance welcome - not just music. To perform, please email [folk@chriswatts.org](mailto:folk@chriswatts.org)

Musically, the celebrations start with a 'Chance to Dance' gig featuring one of Folk-Rock's greatest ever groups, The Oysterband. I find it hard to believe this is actually happening! Not surprisingly, this event has been sold out for over three months so giving much detail is perhaps pointless. Let me just suggest that those who have tickets should please get there early - and do not forget the performance will start at 7.30pm.

The final event of this celebration programme will be a performance on Friday 3rd June by the traditional Welsh Folk band, 9Bach, who have been nominated in the Best Album category in the BBC Radio 2 Folk Awards.

Please check our website for full details of what we have for you to enjoy during this very special week.

Finally, a quick reminder that the 5th Petherton Folk Fest will take place in South Petherton on Saturday, 18th June. I will give more details next month.

Meanwhile - Happy watching and listening!

Cheers, Pete Wheeler  
Petherton Arts Trust

## Further events at The David Hall in May

The David Hall's popular monthly Coffee Morning will be on Wednesday 25th May, 10am - 12pm, with real coffee and home-made cakes, book and bric-a-brac stalls and live music.

A date for your diary! Sunday, 5th June, will be Open Gardens Day in Over Stratton, with at least 10 gardens open to raise funds for The David Hall. Enjoy afternoon tea with home-made cakes as well as Traditional music and plant sales.

For further details about any of the above please check the website [www.thedavidhall.org.uk](http://www.thedavidhall.org.uk) or call 01460 240 340.

# Exciting young acts and legendary performers at Jazz & Blues Weekend

THE legendary, Chris Barber and his Big Band will open this year's Lyme Regis Jazz & Blues Weekend (Friday 27th to Monday, May 30th), kicking off a wrap-around musical May Bank Holiday in the town.

Chris Barber is an iconic figure in the history of British jazz and blues and the Big Chris Barber Band is undoubtedly one of the finest jazz bands in Europe, playing everything from New Orleans jazz to blues.

Now in his 86th year, Chris Barber, is credited with transforming the UK music scene in the 1950s and 60s, by introduc-

ing black bluesmen such as Muddy Waters, Howling Wolf, and Big Bill Broonzy to Europe. His ability to adapt and shape his playing to changing musical tastes and styles has won him admirers world-wide. It is difficult to over-estimate his influence on the evolution of pop music in the UK - without Chris Barber there would probably have been no Beatles or Rolling Stones and many contemporary artists such as Van Morrison, Billy Bragg and Hugh Laurie cite him as a powerful influence.

This year's expanded Lyme Regis Jazz & Blues Weekend

builds on the town's growing reputation for music-making, with over 20 acts, featuring jazz, blues and fusion over a four day music-filled weekend. For the first time, the festival will stage free afternoon concerts on the seafront on the Sunday and Monday bringing together the very best local jazz and blues talent on offer.

The festival will also feature King Pleasure and the Biscuit Boys, the UK's undoubted kings of swing, returning to Lyme Regis by popular demand with their highly entertaining, exuberant Saturday night dance extravaganza.

The programme includes the hugely talented multi-award-winning world class California State University Big Band, the 22-piece big band with a big sound, all the way from Los Angeles. The Band regularly performs at major music festivals including the Monterey and Reno Jazz Festivals, with past tours of the Far East, Australia and Europe. They'll bring all their youthful dynamism to the music of Basie, Ellington and Buddy Rich on the sunny shores of Lyme Regis, the first stop on their one and only UK tour.

The multi-award winning blues sensation, Laurence Jones, performs on Sunday evening at Marine Theatre. Interrupting his European tour to play the festival, Laurence is twice winner of British Blues Awards "Young Artist of the Year" and voted "Best Guitarist" by last year's European Blues Awards. Hailed as the next Clapton he's the future of British Blues with a stellar career awaiting him. This prom-

ises to be an exhilarating guitar-fuelled finale to remember.

Festival organiser, Julie Sheppard said: "This year's festival is more ambitious than anything we've tried before. Our aim is to make Lyme Regis the musical destination for the May Bank Holiday, with events throughout the town, over the four days. Chris Barber is a completely class act and we're delighted he's opening the festival. It'll be a rare

opportunity to see him, up close and personal, in an intimate venue. And we're hoping that his example will inspire the young home-grown talent playing over the weekend. So, whether you're 8 or 80, this is a musical weekend you won't want to miss!"

Tickets are available from [www.lymeregnews.co.uk](http://www.lymeregnews.co.uk) or from Lyme Regis Tourist Information Centre on 01297 442138.

## 5 TIPS ABOUT ELECTRIC UNDERFLOOR HEATING

**ONE:** An electric underfloor heating system (also known as a dry system) radiates heat through a series of wires in the floor. It's either a mat, which is best for large spaces because it can be rolled out to cover an entire floor, or a cable/loose-fit system (individual wires). This is a flexible solution for smaller and awkwardly shaped rooms, such as bathrooms, where there's no need to heat the floor under the basin and bath. Heating mats should be laid on a finished subfloor, such as plywood, and encased in a flexible levelling compound or flex-

ible tile adhesive, while cable/loose-fit systems should be encased in the finishing screed of a concrete floor.

**TWO:** One of the benefits of underfloor heating is that there's more free wall space than with radiators. Another benefit is that the room is heated more evenly - with radiators, you get cold spots. Radiant heat (produced by underfloor heating) is the most efficient form of heat distribution, and airborne dust is greatly reduced, which is good for allergy sufferers. Underfloor heating works at a lower temperature to radiators, so a well-insulated home is vital to prevent heat loss (see below).

**THREE:** Electric underfloor systems can work with most types of floor covering (check when you buy if in doubt), from carpet, vinyl and wood, to ceramic tiles and natural stone, but it's important to get the right wattage. A 100W mat can be used to take the chill off cold floor tiles, while a 150W mat can be used as a primary heating source, providing adequate insulation is in place. For areas of high heat loss, such as conservatories, a 200W

By Julia Gray, Press Association

mat is needed. You can adjust the temperature easily from a

thermostat (a smart thermostat can be controlled by an app) and independently of your home's central heating system - electric underfloor heating is ideal for warming a cold bathroom floor when the central heating's off.

**FOUR:** A poorly insulated home loses lots of heat, reducing the effectiveness of any underfloor heating system. If the floor isn't insulated sufficiently, for example, the underfloor heating will heat the earth below, as well as the room above, which no one wants. Whether you're fitting an electric or wet underfloor system, ensure you insulate under the heating elements sufficiently, and insulate elsewhere in the home as much as possible to get maximum benefit.

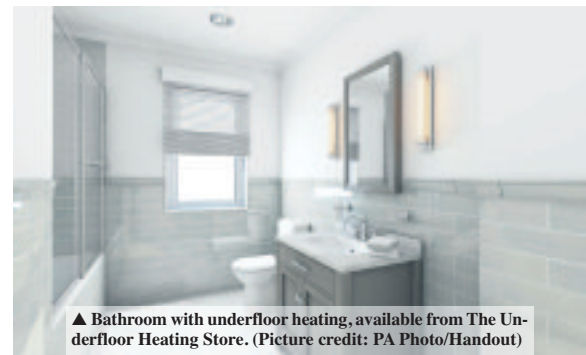

**FIVE:** If you're a competent and experienced DIYer, you could fit electric underfloor heating yourself, as long as a qualified electrician connects the system to the mains supply and thermostat.

Find out more about underfloor heating at [www.theunderfloorheatingstore.com](http://www.theunderfloorheatingstore.com).

**HOW-TO TIP:** Fillers, even ones designed for deep gaps, usually need to be built up in layers to get a good finish. Wood filler tends to dry quickly, but may not be as hard as it seems if the repair's deep - sanding it is the acid test. Similarly, wall filler (even a quick-drying one) may take much longer than the recommended time to harden fully, especially if you've had to build it up, so allow plenty of time before sanding or the filler may sag.

## All-new 197mph Audi R8 Spyder raises the roof at Audi City London

A LANDMARK Audi location in the heart of London is the fitting backdrop for the UK debut of a new generation of the convertible super sports car lauded as a milestone for Vorsprung durch Technik – the all-new Audi R8 Spyder has taken centre stage for selected media guests at Audi City in Piccadilly. Appealing to purists with its naturally aspirated V10 power, and to technophiles with sophisticated new features including the fully digital Audi Virtual Cockpit, the latest open-air R8 is not only more powerful and quicker against the clock, but also even more tightly pinned to challenging

roads thanks in part to a 50 per cent improvement in torsional rigidity.

The key point of differentiation between Coupe and Spyder R8 models is of course the lightweight cloth hood, which tapers into two fins that stretch the cloth so that the roof harmonises perfectly with the dramatic lines of the high-performance sports car. Opening and closure is fully automated, and at speeds of up to 31mph the hood can be slickly concealed beneath the sculpted integral cover, or reattached to shield occupants from a sharp shower, in just 20 seconds. The rear window, sunk into the bulkhead,

can also be retracted and extended at the touch of a button.

The strong backbone of the new R8 Spyder is the newly developed multi-material Audi Space Frame (ASF) which incorporates an intelligent mix of aluminium and carbon fibre that helps to keep dry weight down to just 1,612kg. Aluminium components make up a fraction under 80 per cent of the weight. They form a lattice that Audi's engineers have used to incorporate specific reinforcements especially into the sills, A-pillars and windscreen frame. Combined with innovative manufacturing methods that lower the weight of individual components by up to ten per cent, these pare the weight of the body back to just 208 kilograms and boost torsional rigidity by over 50 per cent compared with the previous model.

### Strong motorsport DNA: the V10 power unit

The even greater structural integrity provides an even more effective operating environment for a new iteration of the potent mid-mounted ten-cylinder engine. The latest V10 retains the purity of natural aspiration but adds advanced features such as dual injection and a free-wheeling mode which enables it to 'decouple' whenever possible to optimise response and improve fuel economy by ten per cent. 540PS of power and 540 Nm (398.3 lb-ft) of torque at 6,500 rpm deliver phenomenal road performance, with the 0 to 62mph sprint taking just 3.6 seconds on the way to a top speed of 197mph, but the latest R8 Spyder is also capable of returning up to 24.1mpg, corresponding to 277 grams

CO2 per kilometre.

Behind the V10 there is a seven-speed S tronic dual-clutch transmission delivering lightning-fast shifts, which channels power to a newly designed quattro drive system with an electro-hydraulically activated multi-plate clutch at the front axle. It can distribute drive fully variably according to the situation, and in extreme cases can transfer up to 100 percent to the front or rear wheels.

The intelligent control system is incorporated into the Audi drive select system, which offers four modes ranging from overtly dynamic to comfort-oriented. In conjunction with the optional R8 performance leather steering wheel, three more driving programs are available: dry, wet and snow. They make handling even more precise and stable, to match the specific conditions of the road being travelled.

The controls place the focus squarely on the driver, who can operate all important functions with the multifunction and satellite push-buttons without having to take hands off the steering wheel or look away from the road. The large 12.3-inch, fully digital Audi virtual cockpit presents all information using rich 3D graphics.

The internet-based services delivered by Audi connect come as standard in the R8 Spyder, as does the intuitively operated MMI navigation plus with MMI touch, the Audi Music Interface and belt microphones which make it even easier to use natural-language voice control and the phone. MMI search, which makes search suggestions after input of just the first few letters, offers a shortcut to

the required information.

The Audi smartphone interface, which made its debut in the Q7 and A4 model lines, is also adopted by the second generation R8 Spyder. It enables selected content from compatible iOS and Android smartphones to be displayed by the Audi virtual cockpit. The Audi phone box can also be specified to connect mobile phones to the car aerial and charge them inductively. The Bang & Olufsen Sound System is another highlight: For the first time, it plays through two head restraint loudspeakers mounted in each seat, for an excellent audio experience even when driving with the hood down.

### Largely hand-built

The build quality of the new R8 Spyder, which is largely hand-built at a special facility near Neckarsulm, Germany, is of the highest standard. Over and above the extensive standard equipment, customers have almost unlimited scope to tailor both the interior and exterior to their individual preferences. Body components such as the front spoiler, the diffuser and the new sideblades are also available in carbon. LED headlights with newly developed laser technology can be added as an alternative to the standard all-LED headlights to maximise visibility and range for the driver, bringing increased safety at night.

The all-new R8 Spyder is making an early curtain call in London before becoming available to order later this spring. The first examples of the open-air super sports car will reach UK customers in late 2016.

## Style comes as standard on the X-Trail style Edition

STYLE by name, stylish by nature – Nissan has introduced a new special edition of the X-Trail crossover that features many of the car's most desirable accessories. The X-Trail Style Edition

is on sale now and further enhances the model's reputation for premium quality, comfort and contemporary design.

Using the range-topping Tekna grade as its starting

point, the long list of additional equipment includes alloy sports pedals, chrome door sills, chrome mirror caps, a chrome finisher on the lower boot and striking 19-inch 'Black

Ibiscus' alloywheels. In addition, there's extra protective trim on the boot lip and a practical boot floor mat.

The high level of specification included on Tekna trim means a

wide range of Nissan's easy-to-use infotainment technology is already featured on the car. It's accessed via the intuitive NissanConnect seven-inch touch-screen. Also standard is a comprehensive suite of real-world safety systems, including Nissan Safety Shield with Around View Monitor, Forward Emergency Braking, Lane Departure Warning and Traffic Signal Recognition. Nissan's innovative Intelligent Park Assist is also fitted.

Leather upholstery on the seats, which are electrically adjustable and heated for the driver and front passenger, is included, plus there's a leather steering wheel, leather gear selector and satin-finish roof rails.

The X-Trail is the most versatile crossover in Nissan's

award-winning range, which also features the Qashqai and Juke. The X-Trail is available with either five or seven spacious seats, and is equipped with an innovative Luggage Board System as standard. This enables owners to adjust the boot shelves and dividers to create 18 different cargo-carrying configurations. For genuine every day practicality, there's a one-touch automatic opening power tailgate.

The Style Edition is available now, priced from £29,405 and offered with the 1.6-litre dCi 130 diesel or 1.6-litre DIG-T 163 petrol engines. Both come with engine start/stop to minimise emissions and fuel use, and there's a choice of two and four-wheel drive, and manual and Xtronic transmissions.

## Mercedes-Benz C-Class family grows with C 43 Saloon and Estate, plus 4MATIC diesels

THE Mercedes-AMG C 43 4MATIC is now available to order in Saloon and Estate guise, adding to the recently introduced Coupé model. Prices begin at £44,460 for the Saloon.

For the first time in the UK, 4MATIC all-wheel drive is also now available across the range in the C 200 (Coupé only), C 220 d and C 250 d (Sport and AMG Line trims only).

The Mercedes-AMG C 43 comes with a turbocharged 3.0-litre V6 petrol engine producing 367 hp. The C 43 Saloon and Coupé can sprint from 0 to 62 mph in 4.7 seconds, while the Estate takes 4.9 seconds. All C 43 models come with a 9G-TRONIC automatic transmission – with shortened shift times – as standard.

Standard equipment on the C 43 includes: ARTICO leather and DINAMICA microfibre upholstery with red contrast stitching; 18-inch alloy wheels in black; black exterior mirror housings; and silver-painted brake calipers with 'AMG' lettering.

Specific options for the C43 include AMG Performance Seats (£1,405) and the AMG Performance Exhaust System (£1,000).

Mercedes-Benz's 4MATIC all-wheel-drive system is now also available in other C-Class models. The new drivetrain

offers even better traction and driving stability. The new 4MATIC models are priced at £1,500 over their rear-wheel-drive equivalents, meaning the C 220 d Sport 4MATIC Saloon starts at £36,025 and the C 220 d Sport 4MATIC Estate at £37,225.

Mercedes-Benz has also introduced a new model line to the C-Class family – the SE Executive Edition. Available on

both the Saloon and Estate, it is priced at £1,295 more than the SE and includes 17-inch alloy wheels; Active Parking Assist including PARKTRONIC; chrome roof rails (Estate only); Garmin Map Pilot navigation system; heated front seats; and split folding rear seats in 40:20:40 formation.

## Amarok pick-up given the latest Volkswagen design

THE first sketches of the forthcoming Volkswagen Commercial Vehicles Amarok have been revealed today, showing clearly the values of the premium pick-up. Like previous iterations, the latest Amarok will combine passenger car-like on-road manners with full off-road capability.

A more athletic front and a modified instrument panel emphasise the powerful Amarok look and give the vehicle a more premium feel. With a length of 5.25 metres and a width of 2.23 metres (mirrors included), the Amarok fulfils all that is expected of a classic pick-up in both style and concept.

Striking features of the design and of the new commercial vehicles instrument panel feature prominent horizontal lines. Round contours give way to horizontal and vertical lines, giving a more striking appearance.

More details will be published in due course. The model is expected to go on sale in the UK before the end of the year.

## Runners-up spot in Robins' sights

Ilminster in late burst for promotion – Cawley hits six for Halstock – Cup finals ahead at Beaminster and Lyme Regis

**Saturday, April 23rd**  
**CHARD TOWN 1 ALMONDSBURY UWE 0**  
*Toolstation Division One – att: 52*  
 A THIRD clean sheet in succession, allied to Andy Martin's sixth goal of the season, helped Chard Town climb a place to second spot in the Toolstation Division One table.

Midfielder Martin struck five minutes before the interval to extend the Robins fine unbeaten run to eight matches during which time they have accumulated an impressive 21 points from a possible 24.

It was a shame that match was watched by a meagre crowd of just 52 – the lowest at Zembard Lane for more than two years.

The Robins visit Radstock Town next Saturday.

**Chard:** J.Hutchings, B.Haines, W.Spurway, L.Bailey, G.Chlopecki, A.Martin, A.Butler, S.Holland (S.Clark), B.Symes, L.Woodland, E.Butcher.

**SW PENINSULA LEAGUE D1E**  
**AXMINSTER TOWN 2 NEWTON ABBOTT 0**

SECOND half goals from Jon Hurford and Liam Cleal saw Axminster extend their unbeaten run to six matches.

The Tigers went close early on when a Mark Scott header from a Hurford corner was kicked off the line.

Soon after Hurford struck the foot of the post from a free-kick and then Luke Finn's cut back was met by Cleal who also tested the woodwork.

The deadlock was finally broken in the 71st minute when Hurford pounced on a poor clearance before drilling in a 25-yarder for his 17th goal of the season.

The win was sealed soon after when Cleal made no mistake having been left unmarked at the back stick.

Hurford missed the chance of a third six minutes from time when his penalty kick was well saved by keeper Ryan Brittain after substitute Aaron Daniels had been felled in the box.

**Tigers:** Sc Wells-Burr, E.Dyer, C.Duchenski, M.Scott (Capt), L.Cleal, C.Garrett, B.Miller (M.Smale 82), O.Latas, L.Finn (A.Daniels 82), T.Pinney (G.Spiller 67), J.Hurford. Unused sub: B.Clay.

Axminster welcome Exwick Villa next Saturday (3pm ko).

### SOMERSET LEAGUE (D1W)

**COMBE ST NICH 2 WELLS CITY RES 6**  
 GOALS from Harry Boddington, on target for the third game in row, and Joe Simmons (pen) failed to mask a poor performance from Combe St Nicholas as they were well beaten by promotion-chasing Wells City Reserves.

Next up for Combe is Saturday's visit by Street Reserves.

**ILMINSTER TOWN 3 SGE GORDANO 0**  
 EVEN with Darren Manley forced to pull on the keeper's gloves Ilminster Town had few problems on Saturday, "I didn't have one save to make, it was one-way traffic" said the outgoing player-manager.

Jon May opened the scoring before Chris Neziyana made it 2-0 at half-time and Alex Paul rounded things off in the 80th minute.

The Blues are in action at Glastonbury next Saturday before Monday's visit by Champions Middlezey Rovers (3pm).

**PERRY STREET LEAGUE**  
**SHEPTON BEAU 6 BEAMINSTER 0**

A HAT-TRICK from Jamie Spurdle helped keep Shepton Beauchamp in with a sniff of their first title for 19 years.

Spurdle's second, a curling shot into the top corner from an acute angle was adjudged to be pick of the half-dozen by Shepton manager Aggie Smith.

Top scorer Dan Collins also got on the score sheet before MacHattie completed his hat-trick.

On the field the top-of-the-table clash went the way of Misterton who consigned Drimpton to their first home league defeat in three years.

Scott Jennings, Harvey Saunders and Jason Rendell netted for Missy with Liam Adams on target for the hosts who are still very much in the race for the title.

**Other results:** Combe A 2 (O.Ladd, C.Warry), Pymore 3 (T.Hussey 2, OG), Uplympe 7 (B.Rowe 2, J.Bearpark 2, D.Boot, T.Gollop, J.Davies) Thorncombe 0, Waytown Hounds 2 (S.Smythe, J.Legg) Hawkchurch Utd 0.

**CREWKERNE TOWN 1 CHARD UTD 4**

GOALS from Jamie Brown 2, Ricky Anderson and Davi Rodrigues look certain to have ensured that Chard United will be playing Premier Division football next season.

Kieran Adams netted for the hosts who are heading for Division One.

**SOUTH PETHERTON P NETHERBURY P**

SOUTH Petherton manager Karl Diment is concerned by his team's fixture backlog after Netherbury pulled out of Saturday's game at noon.

"They only had nine players. This is not good for us as we have so many games left to play. It will make it more difficult for us to win the league."

**W & M CHINNOCK 1 PERRY STREET 7**  
 TITLE favourites Perry Street hit top spot with a convincing victory at Oxleaze.

"I thought we were excellent throughout, moving the ball quickly and looked sharp. Chinnock worked hard and caused us problems on a great surface, but we played well," said Street manager Andy Bond.

Brad Cleal put the visitors ahead only for the Chins to equalise in bizarre circumstances when Street skipper Dan O'Connor volleyed the ball into his own net from the edge of the box.

But the Mothers then had a real 20-minute purple patch with Cleal scoring two more to complete his hat-trick and Callum MacHattie also scoring twice.

Top scorer Dan Collins also got on the score sheet before MacHattie completed his hat-trick.

**DIVISION ONE**  
 THE main news of the day in Division One came with confirmation of BEAMINSTER RESERVES folding.

The league table has been adjusted accordingly.

On the field the top-of-the-table clash went the way of Misterton who consigned Drimpton to their first home league defeat in three years.

Scott Jennings, Harvey Saunders and Jason Rendell netted for Missy with Liam Adams on target for the hosts who are still very much in the race for the title.

**Other results:** Combe A 2 (O.Ladd, C.Warry), Pymore 3 (T.Hussey 2, OG), Uplympe 7 (B.Rowe 2, J.Bearpark 2, D.Boot, T.Gollop, J.Davies) Thorncombe 0, Waytown Hounds 2 (S.Smythe, J.Legg) Hawkchurch Utd 0.

**DIVISION TWO**  
 A 10-2 HAMMERING of hosts Hnton has maintained South Petherton Reserves' eight point lead at the top of

the table.

Ryan Thurgood (3), Dan Kadir (2), Jimmy Rees (2), Matt Darby (2) and Kam Andrews waded in with the Magpies goals with player-manager Ross Jewell scoring both for Hinton.

Merriott Rovers are still in the title hunt after coming from behind to beat hosts Winsham Reserves 2-1.

A Brad Masters strike had the Wins ahead at the break but Rovers battled back with goals from Rob Stubbins and Andy Moore.

Meanwhile, a double from Jordan Brain and a winner from player-manager Terry Crocker have kept Shepton Reserves in the mix after a 3-2 win over rivals Farway Utd.

Down at the bottom, goals from Nigel Jefferies (2) and Jake Young has given Kingsbury every chance of beating the drop after a 3-1 win at already relegated Thorncombe Reserves who had an og to show for their afternoon's efforts.

Elsewhere, a Shane Scott goal earned Combe B a 1-0 win at Chard Utd Reserves while Merriott Dynamos failed to raise a side for the trip to Chard Rangers.

**DIVISION THREE**  
 THE CRUCIAL match between title rivals Perry Street Reserves and Dowlish & Donyatt at Tatworth went the way of the hosts as the Mothers came from behind to win 5-2.

Dowlish took the lead through Matt Baker only for strikes from Dale Hutter and Kev Rowson to swing the game to Street.

Dan Vining then equalised against the run of play.

But the hosts weren't to be denied and went back in front when John Duffy headed the ball in to the top corner from outside the box and Hutter volleyed home a goal of the season contender from all of 35-yards.

The hosts sealed the win when Hutter completed his hat-trick with a tap-in.

But the weekend's goal scoring plaudits go to Mark Cawley who bagged a double hat-trick in Halstock's 11-2 mauling of Crewkerne Reserves to take his personal tally 16 in the last six matches.

Ben Brister (2), Ollie Hutchings (2) and Dan Holt also netted for Halstock with Lewis England and Kris Durrant

scoring for Rangers.

Finally, Netherbury Reserves failed to raise a team for the trip to Drimpton Reserves.

**Other result:** Farway Utd Res 4 (K.Fletcher 2, R.Hagen, OG) Chard Utd All Stars 1.

## Glovers hold Champions

**Yeovil Town 1 Northampton 1**  
*SkyBet 2 – att: 4,008*

THE level to which Yeovil Town have progressed under Darren Way was demonstrated on Saturday as they held League Two champions Northampton Town to a draw.

The Cobblers were rightly applauded onto the pitch looking to extend their unbeaten run to a club record 22 games.

However, they weren't expecting the opening onslaught from Yeovil who almost went ahead after just 48 seconds when Francois Zoko played in Leroy Lita with a peach of a ball, but the former Bristol City striker, having rounded

keeper Adam Smith, was pulled back for straying few inches offside.

### Reward

But their positivity was rewarded in the sixth minute when Harry Cornick, playing in a three man attack with Zoko and Lita, nodded the ball over Smith after Liam Shephard's shot was blocked and had looped up into the air.

Finally Northampton started to find their feet midway through the first half.

They drew level on 35 minutes when Nicky Adams had a simple task of heading home after Rose had flicked on John Marquis' cross.

## Drybrook 47 Chard 19

South West Division One

HAVING secured their place in the division last weekend, Chard travelled to the Forest of Dean for their final league game of the season with a somewhat experimental team which included several up-and-coming younger players.

In the opening half Chard were guilty of making a number of basic errors and the home side took advantage and scored four converted tries before Chard got into their stride.

But Chard were determined to enjoy the final game and in the second half their expansive rugby paid off handsomely with tries coming from Mainwaring, Ashley Smith and Casey Watson with two of the tries being converted by Northcott who had another very good game.

The team played this game without most of their experienced campaigners but the likes of Billy Biss, Jack Elliot, Max Gosden and Ben Johnson and all the other younger players all played well.

The game finished as it had started with Drybrook crossing for several more tries.

## Chard Colts 17 Taunton 17

CHARD Colts were presented with the Somerset League trophy by Andrew Derry of Somerset RFU after this end of season game against Taunton.

The game was played under the newly refurbished floodlights which were being used for the first time thanks to the very generous sponsorship of Andy Whitehouse and Lift West.

Heavy rain throughout the day made things difficult but both teams played their part in a pulsating game played out in front of a crowd in excess of 250 many of whom were grateful for the cover provided newly opened stand.

Chard took the lead with an early penalty from George Read but Taunton got in front shortly before half time when Matt Alvarez got over in the right hand corner for an unconverted try.

The match became very 'competitive' which resulted in a visiting player being invited to sit in the bin for ten minutes and Chard took advantage to score a converted try to ease into 10-

5 lead after Ryan Wingate got over in the corner.

Joe Clarke looked very dangerous for Taunton when ever he had the ball and crossed for two tries one of which was converted but a late try from Adam Moore and a second fine conversion from the touchline by Read gave Chard a deserved draw.

Chard have won 18 and drawn two of their 22 league games this season.

## AXE VALLEY RUNNERS

IT'S very hard to get into the LONDON MARATHON with over 300,000 runners after about 15,000 ballot places, but two from AVRS did run with Angela Kerr completing in 4:15:59.

She ran most of the race at 9:15 min/mile pace but unfortunately got cramp at mile 23 and slowed a bit during the last three miles but had an excellent run finishing 49th W60, well inside the 'good for age' standard.

Janet Woodward smashed her PB by 15 mins completing in 5:27:21.

## HONITON with John Pawley

HONITON were pitched against a team from EAST DEVON GC last Sunday for a mixed competition over 11 matches of mixed pairs, with Honiton the eventual winners 8-3.

Meanwhile, the Seniors headed off on Tuesday for their friendly match against Martock-based LONG SUTTON.

What ensued was a most enjoyable day with Honiton losing 3½-2½. Mal-

colm Matthews was the nearest the pin winner at the short 17th.

Tuesday also saw the return to a full field in the weekly mixed competition with 32 players taking part in a team Stableford, with two scores to count.

Stephani Barnes, Sue Kelson, Bob Barnes & Brian Morrison took first place with an excellent 85pts, closely followed by Elizabeth Ward, Cathy Utley, John Ward & Rob Sexton with 84.

In third place with 81 on count-back were Jane Watts, Liz Wood, Andy Sharland & Robert Hendrick.

A special presentation was made to Jennifer and Richard Pyle who had organised the Tuesday Mixed for five years and have now handed over the reins to Sue and Paul Ritchie.

Last Wednesday the Ladies played foursomes, or a qualifier for the Killard Leavy trophy (a vets competition) or a round of the Australian Spoons - the choice being up to each pair. Winner of the Foursomes were Linda Blundell & Jan Portlock with 34pts, followed by Joan Smith & Catherine Doherty with 33 and Sue Ritchie & Henrietta Bradshaw on 31.

Only five pairs entered the Killard Leavy, the winners being Liz Wood & Jan Lloyd with 30pts with runners up Diana Gee & Gill Johnson scored 27. The winners go forward to represent the club in the main competition at Tavistock in September.

The Australian Spoons is an ongoing competition played throughout the season where you can play with a different partner each time, but your own cumulative points are added up.

At the end of the season the ladies with the best score then play in a final

against other winners from around the country, at a nominated club.

Finally the ladies in the 10-hole competition played a Stableford with Pam Greenaway the winner on 10pts.

## AXE CLIFF with Peter Motson

THE Seniors' section return leg of the Emerton Court competition against DAINTON PARK Golf Club was played at Axe Cliff with Rob Heard & Tony Strong winning their match 2&1.

Peter Knighting & Gerry Turner, Stuart Mackie & Peter Hornsby and Bill Polley & Chris Walker all halved their matches. The overall result was a draw with both teams gaining 2 1/2 matches each.

The Ladies section played the second of their County Prize matches with Jill Wellington leading the way with 31 points and three competitors coming in with 29 points. 2nd place on countback was Janet Dack ahead of Jo Donmall and Stella Thompson.

Jill Wellington & Margaret Kenchington played BRIDPORT in the 3rd round of the Daily Mail Foursomes in some very strong wind conditions. It was a very close match and the Axe Cliff pair lost their match at the 17th hole.

All other Axe Cliff matches were

rained off.

## CRICKET St THOMAS

with Bert Robinson

FORTY four Seniors formed 11 teams in the Medalford competition played on Monday.

This format involves a better ball stableford score being subtracted from the better ball medal score.

The perfect weather conditions saw many teams return par scores in the medal section as well as scoring well in the stableford leg.

The first three teams returned to the clubhouse all under par for both sections, but a great combination of scores

James Dick, John Wallis, Bob Denning & Des Denning team saw them winners by six shots over Roger Stone, Robin Flower, Paul England & Mike Dawson.

Twelve teams of three entered the Hassle competition on Wednesday with the restriction that no player was allowed two consecutive shots.

In this format, the lower handicap player is disadvantaged which results in a close finish. In this case only 0.49 of a shot separated the first three sides.

Result: 1st Bob Barrow; Bob White

& Ian Fielder 63.18. 2nd Peter Spencer-Jones, Jonny Bloys & Brian Hodder 63.50. 3rd Bert Robinson, Ian Rowland & Barrie Singleton 63.67.

On Friday the match team travelled to the Taunton & Pickering club to compete against the well fancied BURNHAM & BERROW Seniors in the Somerset Bowl competition.

The officials decided that, despite heavy rain the match could proceed. The lower handicapped Burnham team managed the conditions better, and although the Cricket St Thomas teams gave a good account of themselves, both games resulted in 3&2 losses.

Bob Barrow & Barrie Heath had a good 3&1 win at game three. Norman Markby & Rod Stevens also won the fourth game 2&1 to tie the match at 2-2.

When it was discovered that the final match was all square after seventeen holes, both teams braved the rain to witness the final hole.

With Burnham on the green in two, Des Denning hit the bunker and although Richard Forster made a great escape, Burnham took the advantage to win the game by one hole, and the match 3-2.

## Title hopes over

**SEATON Town u14s** played out a fantastic mid-week match against local neighbours COLYTON last Tuesday winning 4-2 to keep their title chances alive.

Seaton took the lead through Reece McCabe only for Colyton to equalise soon after.

Seaton were then awarded a penalty for handball so up stepped McCabe to find the bottom.

Colyton struck first in the second half to level the score at 2-2.

But Seaton regained the lead with a nice finish from Alex Cole. With Colyton pushing for another goal McCabe broke away to score his third goal and Seaton's fourth and seal the victory.

Seaton's title hopes were dashed when they lost 4-1 on Saturday against rivals CITY RAIDERS.

The game was a must-win for both teams with the winner looking favourites to take the title.

Seaton nearly took the lead the first minute when Reece McCabe raced through and knocked the ball past the advancing keeper only to see the ball go wide. The visitors then took hold of the game and scored three quick goals.

Seaton did rally and McCabe made it 3-1.

But City added a fourth before half time to clinch the Exeter & District League Division Two title.

Seaton must now look to win their remaining matches to finish runners up.

## Early leaders

FLAMINGOS, having played twice, find themselves at the top of the table with 10 points from their two games.

With Charlotte Yorke playing well, they proved too strong for Ford & Pentecost Panthers who gained a point from their 24-36 defeat thanks in part to a strong performance from Rachel Burrow.

Hi Q defeated Signs South West in a game that saw Lizzie Bennett in good form whilst Flora Hastie did well for SSW in their 19-31 defeat.

Howden Hawks are 5th after a 19-10 win over JD Tyres who put up a good fight to earn a point. Rowan Bradford was the Hawks' star whilst Tiffany Munro was the pick of the Tyres.

Meanwhile, Otters recorded a 28-21 win over Blackdown in a thrilling game.
